**American Recovery and Reinvestment Act of 2009****Grant Solicitation PON-11-608****Energy Efficiency and Conservation Block Grant Program****March 15, 2012**

On January 12, 2012, the California Energy Commission (Energy Commission) released a Grant Solicitation Application Package entitled "Energy Efficiency and Conservation Small City and County Grant Program, Phase 2. The grant solicitation was designed to provide eligible small cities and counties within the State of California funding to install eligible cost-effective energy efficiency retrofits within their jurisdictions. Applications are scored as pass or fail and awarded on a first-come, first-served basis. The funding available under this solicitation is currently \$0.00. However, the Energy Commission anticipates (but cannot guarantee) funding will become available in the near future.

The attached list identifies each applicant and the order in which applications were received. Funding of proposed projects resulting from this solicitation is contingent upon available funds and the approval of these projects at a publicly noticed Business Meeting at the Energy Commission in Sacramento, California; execution of an Agreement; and subsequent notification of availability of funds under the Agreement.

This notice is being mailed to all parties who submitted a proposal to this solicitation, and is also posted on the Energy Commission's web site at: <http://www.energy.ca.gov/contracts/index.html>.
